Build Better Stucco Systems with Dryvit CCP and Amerimix

Amerimix proudly announces...

Our affiliation with Dryvit as an approved base coat manufacturer for use with Dryvit Warranted CCP Stucco Systems.

Amerimix stucco base coats are:

- Preblended for quality and consistency
- Meet ASTM 926 and/or ICC (ESR #3529) standards
- Approved for use in the State of Florida

A variety of Dryvit CCP Stucco Systems are available. Your local Dryvit distributor can assist you in building the system that best meets the requirements of your project.
