Build Better Stucco Systems with Sto Powerwall and Amerimix

Amerimix proudly announces...

Our affiliation with Sto Corporation as an approved base coat manufacturer for use with Sto Warranted Powerwall Stucco Systems.

Amerimix stucco base coats are:

- Preblended for quality and consistency
- Meet ASTM 926 and/or ICC (ESR #3529) standards
- Approved for use in the State of Florida

A variety of Sto Powerwall Stucco Systems are available. Your local Sto distributor can assist you in building the system that best meets the requirements of your project.
